

BUSINESS DOLL IN THE MARKET

The Tendency of Quotations for Money Was Clearly Upward.

BUT THERE WAS NO FLURRY

This Was Plainly Due to the Conservatism of the Large Interests.

(By Associated Press.)

NEW YORK, October 16.—The spirit of enterprise was practically dormant in the stock market today, and the amount of business done was insignificant.

The immediate developments were calculated to inspire respect for the conservative attitude maintained by great interests towards the market.

The inelasticity of the market was a conspicuous feature, and the small early declines were not recovered on the day.

Bonds were irregular. Total sales, par value, \$2,750,000.
